

**MIND RESOURCES**

# COACHING FOR MANAGERS

*Strong Coaching and Leadership ability are key to the effectiveness of modern-day managers. Coaching skills are increasingly becoming a need and a requirement on job descriptions during the hiring process, but what can you do if your staff are already hired, and you need them to hone their coaching skills, to improve team productivity, reduce staff turnover, and increase motivation?*

**If managers in your organisation need to develop their coaching skills to better manage their direct reports, then "Coaching for Managers" is the 1-Day workshop for them.**

The 1-Day format ensures minimal time away from your office and our trainers are known for getting fast and effective results for clients.

**Coaching and effective communication in a work environment**

## WORKSHOP LEARNING OUTCOMES:

4 key outcomes will be achieved during this 1-Day workshop. Attendees will learn strategies to:

**IDENTIFY THEIR STRENGTHS AND WEAKNESSES RELATED TO COACHING AND COMMUNICATION**

**PRODUCE MORE PRODUCTIVE PEOPLE AND REDUCE TURNOVER**

**COACH AND LEAD PEOPLE WITH DIFFERENT BEHAVIOURAL STYLES**

**COACH THEMSELVES, TO BETTER COACH STAFF**

## ABOUT US

The Mind Resources Institute of Learning and Innovation (MRILI) runs workshops globally. We have helped hundreds of organisations develop thousands of staff over more than 15 years around Australia, New Zealand and Asia. Workshops are run by highly experienced trainers with a track-record for achieving outstanding results. Public workshops are held throughout the year and a lot of corporations opt for in-house workshops exclusively for their organisations. Either can be arranged for this workshop.

# Learning and Development Solutions

## The Mind Resources Promise

The Mind Resources mission is to assist you in creating and achieving the future you desire. We promise to help you uncover tangible, workable solutions that produce amazing results for you and your teams. With Mind Resources by your side, rest assured that your business will survive and thrive!

## The Mind Resources Difference

Using the latest NLP strategies and concepts, as well as several other interactive, behavioural training methodologies, Mind Resources stands apart from its competition. Our trainers, led by our Master Trainer Michele Nash, use these techniques to enhance the training experience for each participant; consequently, each learner is ensured transference of the highest order. We are skilled at helping your team members take personal responsibility for creating the culture they want to work in. We know how to lead the difficult conversations that move teams forward with trust and confidence.

*“Coaching turns problems into challenges, challenges into opportunities, and opportunities into success.”*

Michele Nash,  
Behavioural Analyst and NLP Master Coach

## Money Matters

The techniques you will learn in this workshop are usually only discussed in high-end seminars costing thousands of dollars, but Mind Resources brings you all the benefits at the fraction of this price!
